On behalf of the Sabha and myself, I wish all our members and their families a safe and happy Holidays.

Our Diwali celebration held on November 7th was really a grand one. The credit goes to all the people involved. The attendance was good and as expected. Everyone felt the function was something different and all liked it.

Another year has passed and the Sabha will be entering the New year with lots of hopes and ambition. I welcome new ideas regarding the Sabha activities from our members. Once again, I emphasize that active member participation is the only way to the success of any organization.

Views expressed in this Newsletter donot necessarily reflect the SABHA views.

New year wishes to you all.
